

PEI Rural Better Neighbourhoods Program

Simple tips. Real savings.

Get FREE expert advice to lower your power bills and make your home more comfortable.

How it works

Start with a quick chat

Learn how the program helps lower your power bills and share details about your home with us.

Identify savings opportunities

We assess your home to find low and no-cost upgrades that can reduce power use, lower monthly costs and improve comfort—year-round.

Review your results

See where you can save and get clear recommendations and resources tailored to your home and budget.

Choose your home resilience kit

Pick a free kit that fits your home best.

You receive...

- Home Energy Assessment
- Flood Risk Assessment
- Home Resilience Kit
(up to \$200 value)

You may be eligible to receive financial assistance accessing upgrades.*

**Based on availability of P.E.I. Net Zero Free programs.*
